To: Courtney

*You were born on March twenty two
Not quite knowing what to do
Your parents were thrilled as could be
For now their family was three.*

*You wriggled, smiled and cooed
'Cuz being alive was so good,
Your mother held you with love,
Knowing you were sent from above.*

*You grew and God's love filled your heart,
You knew all his blessings from the start,
Now he has called you to be at his side,
Forever and ever in his glory abide.*

*Many will miss you here on the land,
But know you are held in God's hand.
We'll see you again when we answer his call,
A happy reunion it will be for all.*

*May God Bless a
Wonderful young man
We all love you very much
